Our Focus

Our Vision

Foster self-reliant and thriving communities amongst low-income and under-privileged communities of developing and under developed nations especially India.

Create nurturing environment where every individual in the society can reach their full potential.

Our Mission

Promote and sponsor activities to improve education, heighten social and environmental awareness and foster community development amongst the under-privileged.

Organize cultural activities in India to raise awareness amongst the local communities about the plight and to solicit ideas of all interested parties to address the educational, economical and ecological needs of the disadvantaged.

CURRENT HIGHLIGHTED PROJECTS

Green Energy for Environment and Nature (GrEEN)

This project was started in 2009 to support environmental initiative of MUKTI to reduce Global Warming and Climate Change and spread environmental awareness in the low-income, underdeveloped communities of India. Mukti has distributed 24 solar lamps in the area of Nagen-drapur.

Talented Students Sponsorship (TSS)

Talented Students Sponsorship is a sponsorship program, in effect since 2006, through which individual students are provided with the support required to get access to a structured education.

Book Bank 2010-2011

The Book Bank is the student resource for all the Course Books that a student may require for his academic pursuits from Class 5 to Class 12. The Book Bank offers issuing of books and also provides all enrolled students with all his course books for a period of one year.

Save the Sunderban

Through this project we are trying to raise the awareness at impact (community) level in rural settings as the bio-diversity hotspot rather than the effect level (climate change agents). This is an effort to save the world heritage site 'Sunderban' from climate change.

Village Computer Literacy Programme

TCS - Maitree (Kolkata), along with Mukti has initiated the Village Computer Literacy Program (VCLP). VCLP is designed to provide computer education to village students and to spread computer literacy among them. The computer lab was set up at the various schools in West Bengal.

Vocational Education and Training Program (VET)

The goal of the projects was to provide vocational training services to the needy rural villagers to earn higher wages and be self sufficient. The projects seek to support the social and economic independence of people with livelihood hardships through vocational training that increases their incomes.

Cyclone Aila and Laila Relief and Rehabilitation

clothes to affected people.

Mukti immediately joined the disaster relief effort after cyclone Aila wrecked havoc on the coastal South 24 Parganas district of West Bengal on May 25, 2009. Mukti helped in providing shelters, dry & cooked food, medicine,

Coaching Center Program 2010-2011

project.

Since 2006, MUKTI has been running 8 coaching centers and serving approximately 1100 students. However, there is a growing demand for MUKTI's coaching centers. At present, 24 teachers, 2 teacher assistants and one project coordinator is involved in the

Sustainable Agriculture Movement (SAM)

The purpose of the project is to reclaim the damaged land, which was filled with river-saline-water during flood by Cyclone Aila and promote the innovative farming process in this area in a sustainable way.

Project NaRKEL (Natural Revolution with Koconut for Ecology and Livelihood)

The goal of this project is to improve the livelihood of people of Sunderban and help nature maintain & protect ecological stability of the area.
