Respected Sir,

With due respect I beg to state that I am Sri Tuhin Mandal, a student of M.A. 1st year in Rabindra Bharati University in English. Since my B.A. 1st year I have been continuing my study with getting help from MUKTI. In my Graduation course I scored 50.37% marks. My M.A. 1st year final exam will held on and from 8th august 2012 and I am trying heart and soul to have a better result. Now everything is good with me. I am very grateful to MUKTI. MUKTI helps me not only to continue my study but also to mould my morality. I hope that more students will get benefit from MUKTI and establish themselves as well rounded person in society.

Thanking you

Yours faithfully

Tuhin Mandal
