Sir,

I beg to state that I am Susmita Haldar a student of your socio development organisation. I am very pleased to support to my educational life, I know that it is a great help to my family also. So, I want to greet you for helping to my life. Without this sponsor, I could not continue to my study.

When I will shine in life I will help your organisation by helping the needy students so that they can develop the human society. I hope the relationship between MUKTI and mine will be extended. I hope your kindness must develop my study.
