Sub: Extension of duration of scholarship

Respected Sir,

I Tanmoy Mondal, S/O Mr. Gobinda Mondal, am a recipient of the Mukti scholarship for the past 3 years.

The scholarship has helped me a great deal in these years and I am very grateful to the foundation for that.

I am now studying Engineering at Bengal Engineering and Science University, Shibpur. The duration of the course is till 2016. So it will be very helpful if you extend the scholarship till 2016.

I am very much thankful for helping me to reach this long without Mukti's help it was impossible to reach in today's position. I think I need Mukti to hold my hand and hopefully I will receive the sincere support.

Thanking you

sincerely,

- Tanmoy Mondal
