Sub: Thankfull to Mukti's Help

Respected Sir,

I, Tanmay Mondal, am a recipient of the Mukti Scholarship for the past three years. The scholarship has helped me immensely in continuing my studies without worrying about the finances. It has already been almost 2 years studying engineering, financing which would have been impossible for my family.

So I'm very much thankful to m Mukti for helping me to reach this long. And I hope that Mukti will continue supporting me throughout the remaining of the journey.

Thanking you,

yours faithfully,

Tanmay Mondal
