

To
The president of Mukti;
Purba shridharpur;

Sir,

I am Satyajeeet Nag, son of Kamal Nag, a ~~res-~~ resident of Damkal. Sir, our economic condition is extremely bad. Therefore, 'Mukti' has been giving me books, money and right instructions and advices necessary in life. It is also helping me now. At present, I am reading in B.Sc. with physics (Hons.) by the kind cooperation of 'Mukti'. If 'Mukti' did not remain in my side, I could not study so far.

Sir, I have a dream in my life that I will stand in the side of "Mukti" in future. As 'Mukti' is helping me for my study, I shall also help the poor students after establishing my self in life. Therefore I want to study M.Sc. after passing B.Sc. with good marks and also want to establish in life. Therefore sir, my earnest request to you that as 'you' and 'Mukti' helped me previously, are also helping me at present and will help me in future. If you kindly grant my request, I shall remain grate ful to "you" and to "Mukti".

Yours obediently,
Satyajeeet Nag.
