With due respect I beg to state that I, Rafikul Alam, a student of Jadavpur University, Department of Sanskrit. Now I am in P.G-I-II. I have been receiving the scholarship from 2012. Belonging in a very poor family I was selected for that scholarship. I need this scholarship very much to continue my higher study.

I want to thank to my sponsor from the core of my heart to continue my study through MUKTI. I request to my sponsor to keep continue my scholarship for my higher-education. I kindly requested him to keep my request, thanking you.
