[Sub: Renewal Of Mukti Sponsorship for the year 2013-2014]

Dear sir/madam,

I, Shiba Bhakat, a student of 4th **year student of Mechanical Engineering Department at Jadavpur University** applied for Mukti sponsorship in the year 2012 when I read in Third year and I got this Sponsorship. During my First and Second year, I did tuition and money which I used to earn from tuition I continued my study. But in the Third year It was very beneficial to me that I got this scholarship. Because of getting this scholarship I left my tuition and I concentrated in my study properly and I took preparation for GATE and IES, for that reason I can continue my preparation till now.

Sir it is my request to you that as you granted my need in my third year, if you continue my sponsorship for the year 2013-2014, then I will be very grateful to you.
