Sir,

I am Anpita Ghosh, a student of Burdwan University of M.Sc ~~3rd~~ 4th Semester in Chemistry. I am sponsored by MUKTI, a socio-economic organization from 2010. It is my final year of Master Degree course. Last week, my 3rd Semester exam is completed. I have obtained 7.33 points out of 10 in 2nd Semester examination. Now, I want a job as soon as possible. For this purpose I will be admitted in B.Ed course for SSE exam. B.Ed training cost is very expensive. 'MUKTI' was there beside me, at present do and I, hope in future, will stand beside me in this way. At present, I receive Rs.1100/- per month from 'MUKTI'. It is utilised by my institute's monthly tuition fee, semester fee and daily journey cost. When I could be able to make my position, I could also help an another needy student. Surely, I will join with 'MUKTI'.

If you kindly help me in this matter to accept it and commits me for standing beside me in such a way to proceed my career considering my situation obviously based on my exam performance, I will be grateful to you forever.

Thanking You,
