Sub: Thanking letter for scholarship

Respected Sir,

This is to inform you that I, Sujata Maity, a final year MBBS student of Burdwan Medical College & Hospital, had been receiving the GSCA scholarship from 2nd year of MBBS.

This scholarship had helped me throughout my MBBS life to purchase my text books, and to submit my college tuition fees for these consecutive 4 yrs. I am grateful to you for providing this scholarship.

Without this, it wouldn't have been possible for me to continue my studies so smoothly.

Thanking you  
yours sincerely  
Sujata Maity
