[Sub: Gratitude for your Kind favour]

Respected Sir,

I am Richwan Islam, currently a 3rd professional MBBS student at Malda Medical College & Hospital. I am very grateful to know that I am going to get ~~Mult~~ Mukti Scholarship under your sponsorship. Last year I have gone through open heart surgery, which costs lot. Now being a farmer my father is unable to meet all my expenses including huge educational and medical expenses. So your grant will be very helpfull for me to pursue my further study againsts all obstacle.

I am thanking you for your kind and generous help. This help grant will really help me to focus better on my dream to become a good doctor. I will be very thankful if you continue your help throughout my course of study.

Yours obediently
- Richwan Islam.
