To,

Mr Ramesh Kacholia

c/o – MUKTI

Respected Sir,

I am Hiranmay Mondal, an mukti scholar. I am earnestly grateful to you lend me a helping hand to run my studies on.

I was a good student from my primary education, completed 10<sup>th</sup> with 67% marks in 2013 and 2015 completed 12<sup>th</sup> with 61% marks, maintain consistency.

When I qualified joint entrance examination with 1833 rank and got a chance to get admission in jadavpur university, my parent were so happy but by side of it we were in so much tension that so much money is needed for a higher education. My father lent some rupees with neighbours and relatives to pay my admission fees and monthly expenditure.

Now after selected for MUKTI scholarship my parent doesn't need to worry about my fees and all other expenditure.

I want to get a job as an engineer in an establish company to support my family. I will certainly contribute a part of my income to the students who are suffering with lack of money.

I would got carried away if you wouldn't help me. I will always be grateful to you.

Thanking you

Hiranmay Mondal
