Sir,

With due respect I want to inform you that I am Laboni Das. I live at Aryanagar in Guptipara, under the Hooghly district. Now I am a regular student of Guptipara High School in the science department. My father, Debashis Das, is a poor farmer. Now a days it is very difficult for my father to keep me to continue my studying. The scholarship, which is given to me by 'Mukti Foundation' helps me very much. I and my family very thankful to you. After receiving this scholarship I have bought my necessary books and study material and from this I have also given my tuition fee. For this economical help I will be able to continue my studying and I also will be able to get success in my life. This scholarship helps me too much.

□ For this economical help I
am very grateful to you forever.
Take my regards.
Thanking you.
