JANUARY 21,2020

Dear JU ALUMNI ASSOCIATION SYDNEY CHAPTER

My name is ARGHYAJROY MONDAL and I am one of the recipients of the 2019-2020 MUKTI TSS scholarship .Thanks to your generous sponsorship of the MUKTI TSS and JU ALLUMNI ASSOCIATION SYDNEY CHAPTER that I am able to pursue my passion for B.E at the JADAVPUR UNIVERSITY.

I am currently studied in 4th year at Jadavpur university in ELECTRONICS & TELECOMMUNICATION ENGG.In my recent 6th semester I get 8.03 grade point .I want to become a scientist in ISRO, that is my dream since my childhood. I passed my H.S with a overall percentage of 82% and my 10th with 90%.

Before getting scholarship from you I was teaching 2 students of class 8.But as my final year is approaching it is quite difficult for me to carry on both my studies and my tution simultaneously. So when you came to help me its like a hope of ray to me. And Sir when you told me that you help me if I want to pursue masters I don't have any words to express my happiness to you. Now by the stipend I get i can able to give my mess rent ,other bills and utilities like Xerox some books, buy some papers. Your scholarship alleviated my financial burden and allowed me to focus on my studies. Thank you so much for your continued sponsorship of MUKTI TSS and JU ALUMNI ASSOCIATION SYDNEY CHAPTER.

Your sincerely,

ARGHYAJROY MONDAL
