The Garden State cultural Sponsors

Dear sponsors,

First of all thank you for your kind support. I am very grateful and happy for your help which help us in this ~~ex~~ current pandemic situation.

As you all know that I am a 2nd year 4th semester M.B.B.S student. Your help inspired me to do pursue my dream to become a doctor.

I hope someday I will be able to help other students achieving their goals just like you.

Sincerely

- Arindam Sarkar
