

Thank You Letter for Scholarship Sponsors

AUGUST 9 ,2020

Dear JU ALUMNI ASSOCIATION SYDNEY CHAPTER

My name is ARGHYAJAY MONDAL and I am one of the recipients of the 2019-2020 MUKTI TSS scholarship .Thanks to your generous sponsorship of the MUKTI TSS and JU ALLUMNI ASSOCIATION SYDNEY CHAPTER that I am able to pursue my passion for B.E at the JADAVPUR UNIVERSITY.

As of now I am a passout at Jadavpur university in ELECTRONICS & TELECOMMUNICATION ENGG.In my recent 8th semester I get **9.25** grade point .I want to become a scientist in ISRO or BARC or a Professor, that is my dream since my childhood. I passed my H.S with an overall percentage of 82% and my 10th with 90%.

My mother has a small tailoring shop in our village and in the era of global pandemic due to covid 19 I can't be able to continue my studies for further higher studies as my job offer from a reputed core company had been revoked I thought that I have worked for couple of years then I would pursue my higher studies.But due to this pandemic my job offer from company revoked and I am getting jobless before joining the company.

So as of now I don't have any options left other than GATE Exam which is my last breath of hope to pursue higher studies and become a scientist or professor because only Gate exam give me that platform to apply for various IITS to pursue PhD from there.

So please sir this is my earnest request to continue my stipend for atleast next year MARCH .Because gate result will announce in March 2021. After that result I could able to bear my own study expences.

So to pursue my dream I really needs your help sir and shines your name that you have fulfilled the dream of a poor student in his most difficult times.

Your sincerely,

ARGHYAJAY MONDAL

B.E.ELECTRONICS & TELECOMMUNICATION
