

# Thank You Letter

To

Mr. Ramesh Kacholiya

C/O - Mukti, Kolkata

Respected Sir,

I am writing this letter to thank you for your generous scholarship. I was very happy and appreciative to learn that I was selected as the recipient of your scholarship.

I am from a village where everyone put their children into work after age 10. I was a bright student, my family never wanted to put me in agriculture and that sort of works. But as I started getting elder, the expenses for my education started increasing. When I was in class 11 it was impossible for family to bear the fees of 5 tuitions. Then my school teachers took my responsibility till class 12. Then I got selected in JEE and got admitted in Jadavpur University. I can yet remember the tensed face of my father that how could he bring more money for my studies.

One day a senior told me about Mukti. I applied and got selected.

By awarding me the Mukti, you have lightened my financial burden which allows me to focus more on the most important aspect of school, learning. Your generosity has inspired me to help others and give back to the community. I hope one day I will be able to help students achieve their goals just as you have helped me.

Recently I am graduated and I will be admission of M.E. in jadavpur university. I was cracked the gate exam and my rank is INR 1850. I want to do PhD in VLSI and want to join Jadavpur University as a professor.

Thank you so much to you and all the Mukti team for lending me a helping hand.

Sincerely

Hiranmay Mondal
