

20/01/21,

Dear GSCA Scholarship donor(s),

Thank you for the opportunity to receive the GSCA scholarship through 'MUKTI' organization during the 2020-21 academic year.

My name is Nilay Hazra and I am currently in the ~~3rd year~~ 2nd prof of my MBBS course. After MBBS, I will seek employment to one of my local health centres and serve the common people. I also want to inspire those needy students to pursue their dreams and help them to overcome their financial difficulties.

Finally, I want to thank again the GSCA scholarship donor because by awarding me the scholarship I will be able to focus on my study and make my goals and dreams a ~~real~~ reality. I hope in turn one day I will be able to give back and help other students to achieve their goal.

Sincerely,

Nilay Hazra.
