San Jose , California 95129

Respected Sponsor,

My name is SAYOREE SHARMA and I am one of the recipients of MUKTI-TSS scholarship. Thank you so much for the sponsorship and this scholarship able me to pursue my passion for B.VOC in Agriculture at TATA INSTITUTE OF SOCIAL SCIENCES - SVE (Hub - GURUKUL EDUTECH, HOWRAH).

I'm a 3rd year ,5th semester student .I had obtained 8.7 in the last semester (4th sem) and I look forward to pursuing a career as a Agriculturist upon my graduation in July ,2021.I also want to do masters (Msc in Agriculture or MBA) in future .

I belong to a middle class family and the annual income my family is low . Recently on 23rd January ,2020 my father has died by cardiorespiratory failure. So, I really need the scholarship money for my studies. By the scholarship money I can able to pay half of the yearly fees of my college .

The scholarship paid for my semester or college fees which alleviated my financial burden and allowed me to focus on my studies. Thank you for your continued sponsorship of the MUKTI -TSS scholarship.

Yours sincerely,

SAYOREE SHARMA
