

To

Mr. Ramesh Kacholia

Dear sir ,

I am Amrita Mondal,a student of Burdwan Raj College, currently pursuing my graduation in mathematics hons (6th sem,3rd year)and I am resident of NR HOSTEL (Burdwan Raj College) but my HOSTEL is still closed due to this pandemic situation and HOSTEL fees will have to pay .I have cleared 5th semester and few months ago the University of Burdwan declared B.Sc 5th semester result and I scored 10.00 in SGPA (CC) and 10.00 in SGPA (All Courses).

Now sir I want to draw your kind attention to the fact that the economic condition of my family is not much enough to provide sufficient needs for the continuation of my study due to this pandemic situation as my father who is vegetable seller is the only bread earner of our family and he is also physically disabled person.

Sir your contribution helped me very much for continuing study in this pandemic situation. Sir I have tried to help the poor people by providing them foods, clothes and books etc in pandemic situation.

In such condition, sir I would like to appeal to you that if you kindly take this matter under serious consideration, I shall be highly obliged and grateful to you for ever. Thanks to all for help.

Your faithfully

Amrita Mondal
