Respected Sir/Madam,

I would like to express my deepest gratitude to GSCA financially supporting me through 2020-2021 (TSS). It extremely helped me to focus more in my studies and continuing my study in city like Kolkata during this pandemic situation.

Currently I am a B.E student in Food Technology and Biochemical Engineering of Jadavpur University. I have given the 3rd year-final semester exam few days ago. My 1st semester sgpa was 8.87, and currently I am doing internship at KEVA-flavours and aroma company. And I want to be a food analyst in any FMCG company after completing my graduation.

Again I would like to thank you for your such great support to the needy students, to overcome financial problems.

Sincerely,

MD. ARIFUZZAMAN
