Sub - Letter to convey my heart felt thanks

Dear Sponsor ,

With due respect and humble submission, I am Bikram Sahu, a student of Burdwan University, writing this letter to express my sincere thanks to you for sponsoring me this scholarship to continue my higher study . This scholarship help me to submit my admission fees, examination fees and buy books , study materials in this pandemic situation.

Currently I am pursuing M.Sc Physics in 4<sup>th</sup> semester and final examination of this semester may be held from first week of August. I got 8.91 SGPA in semester iii examination but soft copy of the marksheet didn't get till now . Now I am also preparing myself hard towards CSIR NET and other PHD entrance examination to do research on Condensed Matter Physics or may be in Nonlinear Dynamic which is a fascinating branch in physics .

Therefore, I will try to give my best in my further education. Your support in this regard will be appreciated as a great boon for me.

So, thank you very much.

Sincerely Yours ,  
Bikram Sahu
