Respected Sir,

Thank you so much for your support. Bimal Sir, you have supported me not financially but also mentally. I got really lucky to have you as my sponsor. You genuinely care for us. The scholarship is helping me through out in my college expenses. I am now in the second semester of my masters in Electronics. My college hasn't provided the result of my previous exam. I will send you the result ~~to you~~ as soon as I get it.

Lots of thanks to you sir from me and my family.

Yours Sincerely,
Chayanika Das Chowdhury
