

To,

Mr. Niladri Nath Bagechi

Respected Sir,

I am a student of B.Sc., Semester-IV, Zoology honours at 'Charuchandra Collage' under Calcutta University. I have passed my previous Semester (SEM-III) with 8.688 SGPA marks. Now, I am preparing for the exam of my current Semester. The online exam will be held from the last week of this month and the internal exam will start from 14.07.2021. Due to Covid pandemic collages are temporarily closed, so we are doing online classes on google meet.

I have been receiving the Scholarship since 2017. I am very thankful to you and team "MUKTI" for giving me this opportunity. It helps me a lot for my study and better future. Your encouragement and inspiration give me mental support to do lots of things and move forward. I am very grateful to you. I want to request you to be with me always.

Thanking you.

Your Sincerely,
Payel Mondal
