Dear Sir

I want to convey my hearty thanks to you for supporting me to arrange my life. For the last few years you were there with me to help me. I am very much thankful to you for all the support you are giving me.

I had completed my **6th semester** of my course, which is integrated dual degree on Ocean Engineering and Naval Architecture, from IIT Kharagpur.

The last semester was completed through online examination and online assignment. I got a **SGPA of 7.90**, resulting my overall **CGPA to 6.95**. Currently I am having the summer semester break after 3rd year. Regular classes of the 7th semester will start from 10th of August in online mode. I will try my best to do good in this semester.

I will try my best to be established in my life. And follow your path to help another needy. All I need is your blessings and support.

I and my family are safe in the pandemic situation. I want to request you please take care of you and your family's health in this adverse situation.

Again I want to say thank you for all these.

The following attachment contains a copy of my results in semester no. 6.

Yours sincerely
sayan siuli
