I am currently in the 3rd year of my B.Tech degree. My dedication and passion for B.Tech has allowed me to achieve a grade point average of 8. In addition to my academic pursuits, I am actively involved in some extracurricular activities. After my scheduled graduation in June of 2022, I plan to pursue a career as an engineer in order to contribute to the industrial society.

We all know that we faced troublesome situation in this pandemic. We become economically weak and it's very hard to continue my studies With so much expenses.

My educational pursuits would not have been possible without your generous donation to the Mukti. Thank you for enabling me to reach my fullest personal and professional potential.
