

Dear Mr. Arim Das,

with due respect, I, Subham Goswami,  
a student of class-12 whom you sponsored by Mukti, want to  
convey my heartiest gratitude to you.

Because of this pandemic our annual exam of class-11 was  
cancelled and now we are promoted to class-12.

Even during this hard time how Mukti and people like  
you have been helping others, is really encouraging  
and that's always kept me motivated.

So I feel extremely blessed that I have got help  
from such a generous person like you, Sir.

I will always be grateful to you for your support  
and kindness.

Thanking you

yours sincerely  
Subham Goswami
