Now I'm studying in 6th semester under the WBUHS(West Bengal University of Health Sciences). After selected by you i got the money always the before of quarter ending month. It was very helpful because I've to pay a lot of fees like semester, books, tution and hostel canteen.

Recently our university published the result of 2nd Prof MBBS in that I got 59% marks in the 4 subjects (Pathology, Microbiology, Pharmacology & Forensic Medicine).Now our online classes are going on regularly.

We live in a devolving country where most of people are fighting for food , sheltere & health till now and it's gonna be wrost in this pandemic situation. BUT the movement you've taken, the way you've chosen, the efforts you've done for the helpless people, it's beyond my words. Thank you all the members of MUKTI and GSCA.

Thanking you.

Yours sincerely
