Respected Sir,

How are you? I hope,you'll read this letter in good health and safe.we are going in a difficult time. It is our duty to maintain our daily life carefully and as a responsible citizens, must be aware of ourselves.

However,sir,my 5th semester's result has been published in the previous month.I have scored 66% .Presently I am in 6th semester. On the account of Covid-19, my 6th semester's exam has been delayed.In the next month,my 6th semester's exam will hold. After my graduation, I want to continue my study and will take admission for M.A and will preparation for competitive study. I'll complete my graduation for your help and kind hearted attitude.You always inspire me to proceed in higher education. Previous year, you constantly helped me and till now you are helping me at this crisis moment. I am thankful to you, for your help. Without your help, I couldn't gone ahead in higher education. I pray to you,you'll help me till I'll study.

For Covid-19 and cyclone Yash, our life has inverted.At this crisis moment,Mukti opens food relief fund in so many localities for the poor people.I feel very happy to see this kind social services. I want to bright my parents face.I am a poor student, thank you so much for help me.I

want to established of my life. Being established of my life, I also want to join this kind of social services.

Sir, take care yourself. You and your family will keep well and stay safe.

Thanking you.

Dr. S K Biswas,

Mukti.

Yours sincerely,

Sujit Mondal
