

## Subject :- Thanks Giving Letters

Respected Sir (Dr. Anup Dutta),

I am Suniti Ghosh, daughter of Keshab chandra Ghosh. Now, I am studying in class 12 at Guptipara High School. I have been receiving Scholarships after passing out Madhyamik exam since last year. With this scholarship, I was able to continue my studies in the pandemic situation.

I got 90% marks (630 out of 700) in Madhyamik, then I was studying Art stream. Our results were not released this year as the class 11 annual examination was cancelled. If the exam was done I hope I would get very good results.

I want to thank you Sir for sponsoring me. I am really grateful to you.

Yours faithfully,  
Suniti Ghosh
