

To,

JU Alumni Association,

Sydney Chapter,

Mukti office.

Respected Sir/Ma'am,

Thank you for selecting me and sponsoring me. I consider myself very privileged and honored. I do not have words to express my gratitude.

Thank you so much for helping me to accomplish my dreams and aspirations.

I hope that with your encouraging support I would be able to achieve my dream of becoming successful in my field soon. The sponsorship I'm getting from Mukti has been a blessing in disguise. The sponsorship helps me to get books, sometimes filling my hostel fees and has created a platform to achieve my dreams. I'm indebted to the J. U Alumni Association, Sydney Chapter and Mukti scholarship for giving me the opportunity to pursue my dreams and work for it.

I'm in my 2nd semester right now of my Post Graduation in Masters of Arts, Political Science with International relations in Jadavpur University.

I had my first semester in the month of May, the results have not been announced yet.

With everything online due to covid19, it has been a bit difficult to adjust with the online mode of teaching and examination but due to the ongoing situation there is no other way.

It gives me immense joy to inform you that I have been awarded with the University medal for standing First class, First in my under graduation with B.A in Political Science. They have uploaded a Pdf assuring my position which I have attached with the mail. This pdf contains the list of all students standing First in their respective subjects where I'm in Sl no. 69. Due to covid19, the authorities have not yet issued any notice regarding the collection of the medals but I hope that would happen soon. I would write a letter again, once my First semester results would be out.

I'm really thankful to J. U Alumni Association, Sydney Chapter and Mukti for helping me build that confidence as well as enabling me to realize my potential.

Thanking you,

Yours sincerely,

Upasna Mishra.
