Respected sir,
I respectfully state that I have been received quaternary stipend (April-June) in time from 'Mukti'. In case of my studies, this stipend is helping me a lot. I feel very blessed to be a student of 'Mukti'. Thank you so much sir for sponsoring me through 'Mukti'. My studies are going good, last month my 1st semester result has been published, I have got 80.61 out of 100 . But I have ~~been~~ not given the marksheet of the result from the college yet. I will send it to you as soon as I get the marksheet from the college. This month my mid semester of 2nd semester exams are going, exams are going good, After all the exams are over, I will let you and 'Mukti' know again how the exam have been done. I am well in this pandemic situation and hope that you are also well.

Thanking you

Yours faithfully
Samjoy Rabidas
