Respected Sir,

I am sincerely honored to have been selected as the recipient of the 'MUKTI' Scholarship. Thank you for your generosity, which has impacted ~~my~~ me to study for better as this grant helps me to buy my needed books and study materials. It also helps me to submit my school and tuition fees at the right time.

Due to the Covid-19 pandemic situation, the final examination of class XI has cancelled for this year as per Government order. So, I have promoted from class XI to class XII without any examination. Therefore, no progress report card has been given to us.

Overall, I am very thankful for receiving your thoughtful and generous gift.
