Respected ma'am,  
I am Soumitra Mistry, a scholarship holder of you, and a B.Tech student in Electronics and Communication Engineering.

In this situation when my family income has decreased a lot, work has decreased a lot and I have to sit at home and attend online classes. Even I have to attend the Lab class by online. In this situation you are with me and my family so I can attend online classes properly and buy the pen and notebook I need.

I am very grateful to you for the way you have helped me financially and sincerely to continue my studies. Help me in this way so that I can continue my studies well and reach my goal.

Thanking You
