Dear Sir,

My name is Moumita Garai and I'm one of the recipients of the 2022 Mukti ASS scholarship. Thanks to your generous sponsorship of the scholarship I'm able to pursue my passion for Bsc. Nursing at the Govt. College of Nursing, Bankura Sammilani Medical College.

I'm a student of 2nd year Bsc Nursing. For increasing case of Covid, WBUHS do not conduct our previous final year exam, although our new session have been started. I'll provide my annual ~~year~~ result after the examination also. I assure you that I try hard to gain knowledge about the degree and also be a good human being.

Thanking you for your continued sponsorship of this scholarship.

Thanking You
