Sub: Half Yearly Thanks Letter

Sir,

With due respect, I Kusum Sahu beg to state that I have been receiving Mukti scholarship since 2022. I am a student of M.A. 1st Sem in English. I have completed my graduation (U.G.) from Midnapore College (Autonomous) and also ^{have} admitted in that college for P.G. course. I got 79.8% in my last final year exam.

I lost my father when I was reading in class VIII since then my mother is the earning member of our family. My family consists of 3 members, my grand mother, mother and I. She runs a pan stall. This is only the source of income for our family.

So, your blessings and your financial support is highly needed Sir. Otherwise I can't pursue my master degree. Thank you Sir, for giving me the scholarship.

Sir, I don't have any semester exam till now. The exam will be held on 21st February. I am preparing for the exam.

I shall be highly obliged if you kindly continue my further scholarship. I convey my hearty gratitude to you and wishes your well being Sir.
