

To,

Mr. Nilotpal Ganguly.

Sub: Thanking to Mr. Nilotpal Ganguly sir for sponsoring my scholarship and want to tell about my present educational status.

Dear sir,

I am Rahul Ray. Now I am studying in Jadavpur University at the department of Printing Engineering for the degree of Bachelor of Engineering (UG-2). Now I am studying in 4<sup>th</sup> semester of this course. Our 3<sup>rd</sup> semester exam was held in the month of January of 2022 at the online mode. But we can't get marksheet of our 3<sup>rd</sup> semester examination till now and our university also not declared the result of our 3<sup>rd</sup> semester exam. Previously I sent my 1<sup>st</sup> and 2<sup>nd</sup> semester marksheet. I secured 85.86% in 1<sup>st</sup> semester exam and also secured 83% in 2<sup>nd</sup> semester exam. I was getting scholarship from you since 2017 and since then, you always help me. And you also continue my scholarship till now. For your scholarship I am able to study engineering in Jadavpur University which is a dream for a student who belong to poor family as like me. And my dream is became reality, for you sir. I am very thankful to you. You always support me in my study. If I couldn't get scholarship from you, I would not be able to stay strong mentally, and then if I thought about my family's poor economic condition, I would be stop or I couldn't be focus on my study as like now I do. Nowadays when I am thinking about my poor economic condition then I know that Mukti and you are always with me to support in my study and also help myself to become a successful social person. I got 1<sup>st</sup> installment of 2021-22 Mukti TSS scholarship. Thank you, sir, for your help. I am not able to study engineering in Jadavpur University without your help.

Sir, I requested you to support me, for this I made my bright future. And for your help I continue my study, and I will be a successful social man. Sir, please continue my scholarship. And again, I say that," Thank you Mukti and thank you Mr. Nilotpal Ganguly sir".
