Mr. Ramesh Racholia

Respected sir,

My humble statement is that I am Mallika Das, a recipient of Mukti TSS community, a student of nutrition honours at Mahishadal Raj College, Purba Medinipur. Sir, I have completed my 5th semester exams but the results have not been released yet. Now I am continuing my studies in the 6th semester. My 6th semester class has started and my studies are going very well. Due to COVID-19 pandemic situation our family's economical condition has broken down by great means. Now my family's condition is not well because my father is ill and I do not belong a rich family. So it is impossible for me to continue my studies further without your help.

Thank you so much for the sponsorship and I earnestly request you to grant me a help in my further studies.

Thanking you,

Date- 07/02/2022

Yours faithfully
Mallika Das
