

To,

Mr. Ranjan Dutta Gupta,

**SUB: LETTER OF APPRECIATION**

Respected sir,

I would like to express my gratitude for your financial, mental and all kind of support through the year 2021-22(TSS). It is because of your generosity that I'm able to focus on my studies and decrease the number of hours that I work for me and my family through-out a month.

Now, I'm in 4<sup>th</sup> year of my B.E course(FOOD TECHNOLOGY & BIO-CHEMICAL ENGG.). Result of 1<sup>st</sup> semester of 4<sup>th</sup> year has just declared yesterday. I've secured 8.46 CGPA. One of my friend also scored the same and both secure the top place.

On the other hand, in the 2<sup>nd</sup> week of february, GATE exam will be conducted. I've already crack GATE exam in 3<sup>rd</sup> year but that may not be sufficient to secure a seat in a premium institution. This year I'll try to score better than previous year with your blessings.

I've got few offer letters (zifo, Infosys) which I had mentioned in previous letter. I'm trying to learn coding from online resources to improve my profile.

On the behalf of all students who are working to overcome financial difficulties to achieve their dreams, I would like to thank you again and again for all of your support.

Sincerely,

DEBKANTA NANDI
