Respected Ma'am,

I am Shreyasi Karmakar B.A.LLB student of 4th year (8th Semester) of Jyotirmoy School of Law. I live in Champahati. I am writing this letter as I'm thankful for the support that you have provided. Words can't possibly measure the happiness I felt when I was informed that I'm chosen and sponsored by you to receive a scholarship. I wish to give something back to the community when I attain my goals in the future. Thank you once again for having faith in me and helping me to fulfill my dreams.

Yours sincerely

Shreyasi Karmakar
