Respected Sir/Madam,

I would like to express my gratitude toward GSCA, financially supporting me through 2021-22 (TSS). It extremely helped me to focus more on my studies.

I am a B.E student in Food Technology and Biochemical Engineering of Jadavpur University. I am currently in final year of this course. I have given the 4th year - first semester few days ago. My last semester sgpa was 8.32, and currently I am preparing for GATE-2022 and ~~is~~ trying to secure a job in campus placement. I want to be a Food analyst in any FMCG company after completing my graduation.

Again I would like to thank you for your such support to the needy once to overcome financial problems.

Sincerely,

Md. Arifuzzaman
