Respected Madam,

I am Sathi Rani Majhi, and I am one of the recipients of the 'Talented Students Sponsorship' project of 'MUKTI' of this year. It's been helping me from 2020, at the very early lockdown and I'm still getting benefited from it. Through this sponsorship, I'll be able to continue my under graduation course in BSc Chemistry (Hons.) at 'Bankim Sardar Collage' under 'Calcutta University'. It helps me to pay for my tuition fees.

In this lockdown our family has been facing a financial crisis. Due to that condition, I'm not getting any financial help from my family. That's why this sponsorship is very much needed for me.

Thank you for giving me the continued sponsorship of the 'TSS'. I am thankful for your kindness and beloveness. Thank you team 'Mukti'.

Your's sincerely,

Sathi Rani Majhi
