To,

Mr. Surojit Sural

Donor, TSS Program by Mukti Foundation

Respected Sir,

I hope you are all sound by the grace of Omnipotent.

At present, I am a 4th year (7th Semester) student in Mechanical Engineering in Jalpaiguri Govt Engineering College. The result of 6th Semester is out now and my SGPA is 9.10. The semester examinations of this session have been postponed due to the Omicron wave.

I have received the amount of scholarship few days ago. I am thanking you for your generosity.

I promise you I will work hard and give something back to the society. I thank you again for your continued support.

Sincerely,

Shuvendu Mondal
