

To Aiducate Now,

Respected Madam,

I, Sanskriti Audhya, am grateful for all the constant support that Mukti has given me.

I am currently studying in Bethune College. I graduated from school, G.D.BIRLA, this year. I have taken up English Honours as my course subject and History and Psychology as my General subjects. My Semester 1 internals are just a week away and hence I am engaged in making the necessary preparations for the exams. I have come out with flying colours in my ISC exam scoring a solid 95%.

Last but definitely not the least, I would like to convey my humble gratefulness that Mukti has given me since the last two years. I shall strive to do well and even better as time passes. I am really thankful for faith that has been shown from the side of the NGO.

Yours Sincerely,

Sanskriti Audhya.
