Dear Sir

I want to convey my hearty thanks to you for supporting me to arrange my life. For the last few years, you were there with me to help me. I am very much thankful to you for all the support you are giving me.

I had completed my **7<sup>th</sup> semester** of my course, which is **integrated dual degree on Ocean Engineering and Naval Architecture, from IIT Kharagpur.**

The last semester was completed through online examination and online assignment. I got a **SGPA of 8.58**, resulting my overall **CGPA to 7.2**. Currently I am in my 8<sup>th</sup> semester. Regular classes are going on in online mode. I will try my best to do good in this semester.

During the winter break I attended an **internship program** in **HSL VIZAG** in the month of December.

I will try my best to be established in my life. And follow your path to help another needy. All I need is your blessings and support.

I and my family are safe in the pandemic situation. I want to request you please take care of you and your family's health in this adverse situation.

Again, I want to say thank you for all these.

The following attachment contains a copy of my results in semester no. 7.

Yours sincerely
