Subject: Thanks Giving Letter For Mukti Sponsorship

Dear Madam

With due respect, I want to thank you for sponsoring me with a scholarship via MUKTI. I am Suman Porel, a student of Jadavpur University, currently, I'm pursuing a Bachelor of Chemical Engineering. I am very much thankful to you for how you have supported me. In the present COVID -19 situation, the financial condition of my family has become worse than earlier. So your support encourages me to continue my studies without any financial disturbance. Because there are some problems in studying from home like connectivity, continuously recharging my phone, buying books, which I can't borrow from the library in this situation though the library is opened now with all obeying all covid guidelines. But is still difficult to travel along to just borrow books weekly.

Currently, I just completed my 3rd year 1st Semester in December of 2021. According to the given curriculum, we are continuing our 3rd year second semester from this January 2022, Currently, I have my 2nd -year 1st semester and 2nd- year 2nd Semester and 3rd year 1st semester report Card, which I attached with this latter. And as I receive my 3rd-year report card I will inform you.

Your generosity has inspired me to help others and give back to the community. And also social work Activity motivates us to do something for our society as a daily duty. I hope one day I will be able to help students achieve their goals just as you have helped me. Thanking you.

Yours gratefully Suman Porel.
