Sub: Thanking letters for the financial help

Sir,
I am Debalina Bairagui. I live in
Bijoy nagar. I am the student of class XII.
Sir you also know that HS exam will be
held in one month. So I am preparing myself
for the HS.

However, I would like to express my
heartly gratitude to you, I am very grateful
for the financial contributions you have made
in support of my education. Your generosity
and help have been an inspiration to me.
Again, a very big thanks to you for your
encouragement

Yours faithfully
