Sub :Thanks letter for continuation financial aid.

Sir,

I beg to inform you that I am Soheli Sultana , a TSS student from MUKTI under your sponsorship since last one years.

In 2018 I have taken admission in a four year B. Sc. Nursing course. And recently I was promoted to 4th year without any exam due to COVID-19 pandemic situation. But the University said that exam will be taken as soon as possible.

I want to thank you for your continuous support since last one years as it was impossible for me to proceed so far.

As the 3rd year final exam was not been conducted yet, so I'm attaching the 2nd year mark sheet(latest mark sheet till herewith the letter.

Thanking you.

Yours faithfully

Soheli Sultana
