

Dear Bratati Ma'am,

I would like to thank you for being so generous and sponsoring my education. I have been receiving your valuable contribution continuously through the MUKTI TSS Community and it is really helping me continue my study. And I would like to inform you that, currently I am studying in Jalpaiguri Government Engineering College, Information Technology Department. Currently my 6<sup>th</sup> Semester's internal exams are going on. My College opened on 7<sup>th</sup> March and classes are getting conducted on a regular basis.

I am so blessed to have this sponsorship and I can not express your gratitude enough in words. Again, thank you so much for your generosity. I am so grateful.

With many thanks and prayer,  
Utpalendu Barman
