I am Arnob Saha Student of class 12 of the Nimpith Ramkrishna Vidya bhavan. I would like to take this opportunity to thank you and the NGO Mukti for the generosity in providing the funding for my academic pursuit during the crisis by awarding me the funding, I can concentrate what is important for my education. your financial generosity and other educational expenses which allowed me to focus on my academic pursuits without the funding provided. I wouldn't be able to archive the grades necessary for my higher studies my dream goal is to become a Doctor and the contribution that I am receiving is helping me to be closer to my dream career this funding is very meaningful not only financial but emotionally as well as the strengthened my belief in myself once again my heart felt thank you for your generous support. I feel that I am one step closer to achieving my dream goal. Thank you mam and all members of Mukti.

Sincerely

Arnob Saha
